We hope everyone has a peaceful and relaxing half term and look forward to seeing everyone back on Tuesday, 2nd June for the last push of the academic year!

ROAD SAFETY OUTSIDE SCHOOL

The school received a phone call yesterday from a member of the public who was driving past the school and witnessed a child running between parked cars out into the road. The driver had to brake suddenly to avoid hitting the child. Please could we ask all parents/carers to make sure that their children cross via the pedestrian crossing to avoid any fatal accidents. Thank you.

FOODBANK UPDATE

Just to let you know that during the month of June, Reception, Years 1 and 2, are invited to bring in donations for the Gloucester Foodbank, our local charity. These classes will come home with a letter today with details. Many thanks.

A FOND FAREWELL

We would like to wish Amber Brown who is in RJB the very best of luck in her new school as she leaves us today.

CORE VALUES

Our Core Value next term is HOPE – we shine when we are full of hope. This term we will help the children to understand that:

Jesus is the hope and light of the world as he shows us how to live our lives;

There is a chance (hope) of a new beginning and a fresh start in every situation;

To hope is to risk failure, but sometimes it is worth the risk;

The value of hope enables us to be patient and persevere even when things seem difficult because we know things will turn out OK in the end;

People can work together for a hopeful future (in terms of creating a more sustainable environment and a better society).

NEW INTAKE SEPTEMBER 2015

Letters have been sent out this week, via the oldest sibling in school, with information regarding the induction process for the September intake. Please check book bags.
