BOYS' FOOTBALL TEAM

Well done to the boys' football team who were victorious in a league match at Harewood yesterday, winning 2-0. The team consisting of: Benji, Reuben, Joe, Regan, Kynan (c), Justin, Amani and Kevin were solid throughout the game and looked in control throughout. They did well to convert their chances with goals coming from Regan and Kevin in the second half. They played with a good passing style of football and the team's work ethic and performance bodes well for upcoming matches.

GIRLS' FOOTBALL TEAM

We were at home to Carlton Juniors and played a fabulous match winning 9-0. The team were a credit to the school and showed good sportsmanship throughout. The player of the match was Esme from 6JW.

SCARLET FEVER

We have had two cases of Scarlet Fever in KS1 reported to us. The following information has been taken from the NHS Choices website www.nhs.uk/Conditions/Scarlet-fever

Scarlet Fever Symptoms

Scarlet fever usually follows a sore throat or a skin infection, such as impetigo, caused by particular strains of streptococcus bacteria. Initial symptoms usually include a sore throat, headache and a high temperature (38.3C/101F or above), flushed cheeks and a swollen tongue. A day or two later the characteristic pinkish rash appears. It usually occurs on the chest and stomach before spreading to other areas of the body, such as the ears and neck.

The symptoms of scarlet fever usually develop two to five days after infection, although the incubation period (the period between exposure to the infection and symptoms appearing) can be as short as one day or as long as seven days.

The rash feels like sandpaper to touch and it may be itchy. On darker skin the rash may be more difficult to see although its rough texture should be apparent.

When to seek medical advice

Scarlet fever usually clears up after about a week, but if you think you or your child may have it, see your GP for a proper diagnosis and appropriate treatment.

E-SAFETY/CYBERBULLYING

On Wednesday, all children took part in E-safety/Cyberbullying workshops led by Barabarani Education Services. EYFS and Key Stage One children considered the fun and risks of computers, as well as the importance of "not talking to strangers" in the real world and when playing games online. The session then considered what bullying is and how we should behave towards others. Children in Key Stage Two were given a basic understanding of keeping safe in the real and the virtual world. They looked at the positive use of technology and what it means to abuse technology. Children also considered safer use of gaming sites (all KS2 children) and safer use of social network sites such as Moshi Monsters, Facebook, Twitter, Instagram and Snapchat etc (children in Years 5 & 6). After school, parents were invited to join staff in an awareness session which set out the dangers to which young people are exposing themselves, identifying signs of concern and aiming to provide some tools for staff and parents.

"Once you've posted a picture on a social network site, it stays on the internet forever. So think before you post." *Ella Y5*

"We learnt about being safe on the internet and not talking to strangers online." *Janelle Y3*

"Computers are weapons. They are alright used in the right way, but used in the wrong way they can hurt people." *Rihanna Y4*

"If you fall out with your friends, that's not bullying." *Alex Y1*
