

The logo for 'info buzz' is displayed in a white square. The word 'info' is in a teal color and 'buzz' is in a dark teal color, both in a lowercase, sans-serif font.

MENTAL HEALTH TRANSITION

Child and Adolescent Services end at 18 years old and people find themselves too young or not ill enough to access Adult Mental Health Services. Infobuzz are able to offer one-to-one and group work support for young people aged 16-19 who are moving from child to adult mental health services.

The Programme Provides:

Psychological and practical support
Individual and group counselling.
Visits to new settings and a familiarisation process.
Introductions to mental health workers.
Positive activities in new adult environments.
