Dear Candidate,

Thank you for requesting an application pack and further details for the full time permanent KS2 teacher post (MPS + TLR 2b £4,352.77) at our school with Leadership responsibility for a KS2 Phase Group ie Y3/4 or Y5/6).

St Peter's Catholic Primary School is a two form, fully inclusive, multi-cultural school in the city of Gloucester. The catholicity of our school is central to our mission and the Core Values have sharpened our focus on how every member of our community can become more like Jesus every day. Following a Section 48 Inspection (Inspection of Religious Education in Catholic schools) in February 2011 we were delighted to receive a 'Good with outstanding features' outcome which recognised good leadership and management and acknowledged that 'prayer is central to the life of the school and provision for spiritual and moral development well thought through' and 'Their (pupils) spiritual and moral development is excellent and values are reinforced by the whole school community.' The Catholic faith is at the heart of the school's life and underpins the curriculum and the relationships within the community.

St Peter's is a good school with some outstanding features. Our recent OFSTED report (March 2014) celebrated the wonderful learning opportunities all children are offered and the quality of teaching across the school as Good and the behaviour and safety of pupils as Outstanding. In order to build upon our good outcomes we wish to strengthen our leadership team by appointing an excellent KS2 class teacher with a proven track record of good and outstanding pupil progress and attainment and who is passionate about learning and aspires to be an inspirational leader. As a member of the Senior Leadership Team you will be committed to continuous school improvement and actively lead, support and develop key initiatives. As the Phase Leader for a Phase Group in Key Stage 2 you will inspire, support and lead other practitioners and members of staff ensuring that KS2 teachers and Teaching Assistants are accountable for pupil attainment and progress. As class teacher you will have an outstanding teaching profile across all subject areas and experience of teaching across the key stage. Flair, creativity and passion for teaching and learning are essential along with the ability to personalise learning for every child. Further details of your role as Phase Leader and classroom teacher are included in this welcome pack.

We hope we have included sufficient information to give you a clear picture of the post. Should you want to discuss the position informally, Mrs Carol Baron, Headteacher, is the person to contact (01452 524792). As you reflect on what to include on the application form, can we encourage you to demonstrate how your skills and your experience equip you for this post.
