Y5	Revision	Non-chronological Reports	All Living Things and their Habitats
Y6	Word Problems & Number Sequences	Persuasive Writing and Poetry	Revision

GOOD TO BE GREEN (GTBG) BEHAVIOUR SYSTEM

354 children (84%) across all year groups have been awarded a blue reward card to celebrate the fact that they stayed 'green' for the whole of Summer term 1. We ask that these reward cards are kept safely at home.

CORE VALUES

Our Core Value this term is HOPE – we shine when we are full of hope. This term we will help the children to understand that:

Jesus is the hope and light of the world as he shows us how to live our lives;

There is a chance (hope) of a new beginning and a fresh start in every situation;

To hope is to risk failure, but sometimes it is worth the risk;

The value of hope enables us to be patient and persevere even when things seem difficult because we know things will turn out OK in the end;

People can work together for a hopeful future (in terms of creating a more sustainable environment and a better society).

A certificate has been sent home today. Please return the certificate to show when your child displays the core value of HOPE whilst at home, for example:

Sarah gave her pocket money to charity (therefore giving hope to someone less fortunate);

Timothy looked on the bright side to make a bad situation seem OK;

James forgave his friend when they fell out, in the hope that they could remain good friends.

MUSIC WEEK

This week in school, classes from Reception to Year 5 have all had a music day! It has been a fantastic chance for the children to listen to music, compose and perform. The children discussed and used lots of musical vocabulary such as pitch, dynamics, duration, timbre and tempo. It has been so exciting to hear music played all round the school and to see the children so excited by what they have been learning.

In Reception the children read "We're Going on a Bear Hunt" and matched our instruments to the sounds in the story.

In Year 1 the children read "The Night Pirates" and wrote their own music based on part of the story.

In Year 2 the children read "The Night Pirates" and wrote their own music based on their favourite part of the story.

In Year 3 the children read "The Great Kapok Tree" and composed their own music to create rainforest sounds.

In Year 4 the children wrote their own rainforest themed songs.

In Year 5 the children read "The Wizard of Oz" and wrote their own songs based on the story.

"My favourite part of Music Day was when I got to play the triangle loudly in my composition." Christian, 2CS.

"I used a castanet to make a stumble trip sound." Christopher, RJB.

"I loved composing a song and performing it in front of the class." Rumbi, 5SS.

200 CLUB DRAW

1st Prize – Mrs T Gould

2nd Prize – Mrs T Samuels

3rd Prize – A C Yeomans

Cheques are ready for collection from the school office.

The PFA are looking for more members! It's £24 per year and the draw takes place every month. The proceeds are split between the school and PFA. If you are interested could you please contact Jenny Neely with your details.
