

Dear Parents/Carers,

Please find below the Home Learning timetable.

We have structured it so that you and your child know what is happening every day.

The minimum expectation is that all children should read every day and complete the Maths and English activities.

Thank you for your support,

Mrs Baron

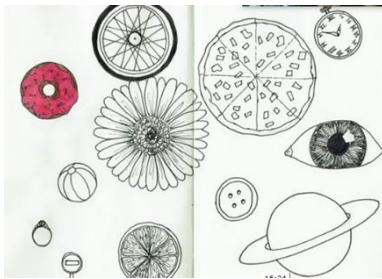

Headteacher

Plastic Free July is a global movement that helps millions of people be part of the solution to plastic pollution so we can have cleaner streets, oceans, and beautiful communities. How could you and your family help support this movement? Take the 'pesky plastics quiz' and try out the challenge at the event website. There is a lot of interesting info to peruse! https://www.plasticfreejuly.org/</p> <p>Watch the plastic problem https://safeyoutube.net/w/EKB6 to remind yourself about the threat caused by plastics to our oceans. Read about Madison Edwards, a 12-year-old school pupil, who is doing something about it. https://www.tes.com/news/how-one-schoolgirl-encouraging-others-save-our-oceans-sponsored Try keeping a 'plastic diary' recording how much single-use plastic your family uses. Write down one thing that your family will do to use less plastic. See attachments (Plastic Diary and Plastic What Can Be Done? sheets) or make your own.</p> <p>There is a new section on the school website – STAYING SAFE. Here you will find worksheets, links and resources based on science, mental health and wellbeing and is designed to support you in these strange times. Please explore this section of the website.</p> <p>Science –visit https://learning.sciencemuseumgroup.org.uk/resources/?keystage=ks2&type=at-home where there are some fun science experiments to complete at home. Maybe record your findings in a poster or a WHW? Poster and show us your great science learning.</p> <p>Spanish –login to http://www.languageangels.com/ where you can find some fun games to play using your Spanish skills There is a now a new section on the Language Angels online site – home school. This area extends the children's learning further. Username: St.Pet1475 Password: lahome</p> <p>Story Time Projects – something that is of interest to them. Arts and crafts – lots of ideas online. Pinterest is a good site but there are many others.</p>

NURSERY RHYMES & POETRY Please note that this could be getting the children to learn nursery rhymes or poems – this is really important and something we rarely get to do because of the pressures of the curriculum. Poetry is good for developmental learning. It helps by teaching in rhythm, stringing words together with a beat help cognitive understanding of words and where they fit. Additionally, it teaches children the art of creative expression.
