

This week you are practising the spelling pattern –ing. If your root word ends in –e, don't forget to drop the –e before adding the suffix –ing.

Example: wave → waving hope → hoping

<u>Spelling Group 1</u> <u>Elephants</u>	<u>Spelling Group 2</u> <u>Flamingos</u>	<u>Spelling Group 3</u> <u>Cheetahs</u>
lining	waving	where
hoping	making	friend
stroking	naming	school
deciding	taking	because
celebrating	saving	break
exploring	writing	great
damaging	using	pretty
imagining	driving	beautiful

Challenge: can you write the root words next to each of your spellings?
