

Dear Parents/Carers,

Please find below the Home Learning timetable.

We have structured it so that you and your child know what is happening every day.

The minimum expectation is that all children should read every day and complete the Maths and English activities.

Thank you for your support,

Mrs Baron

Headteacher

9 – 9.30am	Exercise
9.30 – 10.30am	Maths activities
10.30 – 11am	Snack
11am – 12noon	English activities
12 – 1pm	Lunch
1 – 1.20pm	Cosmic Yoga for kids
1.20 – 1.35pm	RE
1.35 – 2pm	Reading
2 – 3pm	Optional Activities

		MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
	Breakfast	The most important meal of the day! Enjoy!				
9 – 9.30am	PE	Join Joe Wickes every day at 9am for You Tube fitness sessions for children. Alternatively see the Active 15 section below for ideas.				
9.30 – 10.30am	Maths (including Magic Maths)	<p>The White Rose Maths hub has daily online Maths lessons for all children – complete this. The website is ... https://whiterosemaths.com/homelearning/</p> <p>The worksheets are on the Year 6 home learning section of our school website (they are not on The White Rose Maths Hub website anymore) along with the answers.</p> <p>This week's (Summer week 12 – w/c 13th July) focus is shape and data.</p> <p>Optional extras: Use these links if you would like to complete some additional Maths home learning activities:</p> <ul style="list-style-type: none"> • Third space learning has a variety of free worksheets you can download. All you need to do is sign up for a free account to be able to access them: https://mathshub.thirdspacelearning.com/resources?schoolyears=y6 • https://thirdspacelearning.com/blog/home-learning-resources/ • BBC Bitesize: https://www.bbc.co.uk/bitesize/tags/zncsscw/year-6-and-p7-lessons • Problem solving and reasoning practice: http://www.iseemaths.com/lessons56/ <p>Top tips: Remember that you can watch the videos on our learning zone to remind you of written methods if you are ever unsure: https://www.st-peters-pri.gloucs.sch.uk/maths-years-5-and-6</p> <p>Third Space Learning also has helpful information for parents for supporting children with maths: https://thirdspacelearning.com/blog/year-6-maths/</p> <p>For video learning and questions: https://www.ncetm.org.uk/resources/54454#UpperKS2</p> <p><u>Magic Maths</u> Mon – Thurs - please complete a "Y6 Magic Maths" sheet which you can find on the school website https://www.st-peters-pri.gloucs.sch.uk/Year_6. These do not have to be printed, please record your answers in your book. Friday – Times Table Rockstars</p> <p>Parents, unless you have more than one laptop, only one child can access this maths learning at a time.</p>				

		We would suggest that while 1 child completes the maths learning the other child/children should do the Handwriting & Mindfulness activity - see below.				
10.30 – 11am	Snack Time	Remember to eat healthy snacks and drink water <ul style="list-style-type: none"> • 5 glasses of water each day (1 litre) for 5-8 year olds • 7 glasses of water each day (1.5 litres) for 9 – 12 year old 				
11 – 12 noon Please see guidance on the Y6 page for further information and resources	English Activities <ul style="list-style-type: none"> • Writing • Handwriting • Spellings • SPaG 	Monday SPaG – Spag.com	Tuesday <u>WALT plan</u>	Wednesday <u>WALT write a newspaper report</u>	Thursday <u>WALT write a newspaper report</u>	Friday <u>WALT edit and revise</u>
12noon – 1pm	Lunch Time	Help to make the lunch. Eat. Enjoy! Have fun - OPAL play at home				
1 – 1.20pm	Yoga Up to 20 minutes	Google: You Tube Cosmic Kids Yoga and select one of the programmes				
1.20 – 1.35pm	RE/Prayer	Gospel	Family Prayer Time	CORE VALUE	Family Prayer Time	Summer of Hope Week 7
1.35 – 2pm	Reading 20 mins	Everyone should read for 20 minutes every day. Reading books are online – so log onto Oxford Reading Buddy. https://www.oxfordreadingbuddy.com/uk Please see Purple Mash where there are “2Do” tasks to complete this week.				
2 – 3pm	Optional Activities Other ideas	<p>Summer Reading Challenge 2020! Visit the webpage to take part. You can create an account to participate fully or there are other things to do on the website if you don't want to create an account. https://summerreadingchallenge.org.uk/</p> <p>For the rest of this term, we will continue to add some extra afternoon activities which focus on the 'Environment' theme.</p> <p>Show off your knowledge about the environment. Take this quiz: https://www.educationquizzes.com/ks2/geography/environment-issues/ Try one of these online, interactive recycling games to play: https://zone.recycledevon.org/fun-stuff/ As a family, see if you can calculate your carbon footprint: https://www.carbonfootprint.com/calculator.aspx Recycle a plastic bottle into a flower pot: https://www.bbc.co.uk/cbbc/thingstodo/bp-make-a-flower-pot-from-a-plastic-bottle?collection=green-planet</p>				

		<p>If you're feeling musical, you could write and perform your own song encouraging others to recycle and go green. Here is one example if you want some inspiration: https://www.bbc.co.uk/cbbc/watch/ollies-song-going-green?collection=green-planet</p> <p>Don't forget it's Plastic Free July. Find out more at https://www.plasticfreejuly.org/</p> <p>Drama. Pretend you are a journalist asking people about their views on single-use plastic. Ask other members of your house hold to be the characters on the 'Plastic Points of View' document (see attachments). The information will help them to know what their view is. A person could be more than one character but they'll have to use different voices! You could video the debate.</p> <p>Crosswords. Make your own crossword linked to the 'Environment' theme. https://worksheets.theteacherscorner.net/make-your-own/crossword/</p> <p>There is a new section on the school website – STAYING SAFE. Here you will find worksheets, links and resources based on science, mental health and wellbeing and is designed to support you in these strange times. Please explore this section of the website.</p> <p>Science –visit https://learning.sciencemuseumgroup.org.uk/resources/?keystage=ks2&type=at-home where there are some fun science experiments to complete at home. Maybe record your findings in a poster or a WHW? Poster and show us your great science learning.</p> <p>Spanish –login to http://www.languageangels.com/ where you can find some fun games to play using your Spanish skills</p> <p>There is a now a new section on the Language Angels online site – home school. This area extends the children's learning further.</p> <p>Username: St.Pet1475 Password: lahome</p> <p>Story Time</p> <p>Projects – something that is of interest to them.</p> <p>Arts and crafts – lots of ideas online. Pinterest is a good site but there are many others.</p> <p>Outdoor play – muddy puddles website</p> <p>Cooking – help your child to read scales, follow instructions</p> <p>Music – singing is so good for the soul. Some karaoke perhaps?</p> <p>PE – children can create their own dance routines to their favourite songs</p> <p>BBC Bitesize Daily lessons for Y6 – a wide range of subjects are available. As well as the core subjects of English and Maths, the lessons also cover foundation subjects such as Music, Geography, History and Science. Have a look and enjoy learning: https://www.bbc.co.uk/bitesize/dailylessons</p>
--	--	---

		<p>We have also set some “2Do” tasks to complete on Purple Mash and look forward to seeing more of your wonderful work. The activities include: Mobile phone art and ‘Cyber Crime Files’ chapter 5. Please note that the hand in date is Friday 17th July this week.</p>

NURSERY RHYMES & POETRY Please note that this could be getting the children to learn nursery rhymes or poems – this is really important and something we rarely get to do because of the pressures of the curriculum. Poetry is good for developmental learning. It helps by teaching in rhythm, stringing words together with a beat help cognitive understanding of words and where they fit. Additionally, it teaches children the art of creative expression.
