

This week you are practising contractions. Contractions join two words into one shorter word.

Example: do not → don't

<u>Spelling Group 1</u> <u>Elephants</u>	<u>Spelling Group 2</u> <u>Flamingos</u>	<u>Spelling Group 3</u> <u>Cheetahs</u>
doesn't	shouldn't	can't
you're	couldn't	didn't
what've	wouldn't	don't
weren't	they've	it's
let's	you're	won't
haven't	they'd	hasn't

Challenge: write out each of your contractions and then split them into the two words they are made from.
