

# Say the rhyme as you form the number.

Around and round and round we go,  
  
When we get home we have a zero.

Start at the top and down we run,  
  
That's the way we make a one.

Around and back on a railroad track  
  
Two, two, two

Around the tree and around the tree,  
  
That's the way we make a three.

Down and over, down some more  
  
That's the way we make a four.

Down and around then a flag on high  
  
That's the way we make a five.

Down we go and make a loop,  
  
Number six makes a hoop.

Use the tiger to remind you to write the digits in the correct order!

Across the sky and down from heaven,  
  
That's the way we make a seven.

Make an 's' and do not wait  
  
When it's joined up you have an eight.

Make a loop and then a line,  
  
That's the way we make a nine.
