

**At St. Peter’s Catholic Primary School, our mission is to share the good news of Jesus Christ with all in our school family so that each child grows in the knowledge that they are formed in the image and likeness of God who calls them to love and be loved, and that they hear and respond to the call to “live wisely, love generously and learn to think deeply.”  
(Pope Francis, Laudato Si, 2016).**

**Following in Jesus’ footsteps, we live, love and learn together as a school family, **to build a better world.****

**As one of the foundation subjects taught in Primary Schools, we give the teaching and learning of Spanish the prominence it requires in order for children to regularly and enthusiastically immerse themselves in the Spanish Curriculum.**

**It is our intention that the St. Peter’s Spanish Curriculum will:**
