

St. Peter's Catholic Primary School, Gloucester

RE Curriculum INTENT Statement

At St. Peter's Catholic Primary School, our mission is to share the good news of Jesus Christ with all in our school family so that each child grows in the knowledge that they are formed in the image and likeness of God who calls them to love and be loved, and that they hear and respond to the call to "live wisely, love generously and learn to think deeply." (Pope Francis, *Laudato Si*, 2016).

Our mission statement is:

Following in Jesus' footsteps, we live, love and learn together as a school family, to build a better world.

It is our intention that the St. Peter's RE curriculum will enable our children to understand and experience what it is to be a leader of faith.

The intent of our RE curriculum is to:

- Place the Catholic Faith at the centre of our lives.
- Recognise and value every individual as special and unique in the image and likeness of God.
- Promote each child's innate capacity for wonder, awe, reverence and spirituality.
- Lead our children to aspire not to have more, but to be more; children are taught about God's love; they learn about their Christian responsibilities; children are provided with experiences of church, Catholic and Christian traditions, as well as being taught to be respectful and understanding of people and traditions from other faith backgrounds.
- For children learn about their unique place within the home, school and parish community. Central to our ethos are the opportunities for prayer and worship which lie at the heart of our faith. We will promote and encourage these at every level, together with the skills and attitudes necessary to live out the Christian message in the modern world.
- Help pupils to learn from RE so that they use their skills and knowledge 'to live life to the full to build a better world'

It is also our intention that the St. Peter's RE curriculum will embrace our whole school curriculum intent as follows:
