

Mini Vinnies - Tuesday 13th January 2026

Mrs Desando and Mrs Baron shared a special initiative with us called Tubs2Pubs.

They told us about how we could help by collecting sweet tubs and donating them to a Greene King pub who would then make sure they were properly recycled and all the money raised from the recycling would go directly to Macmillan Cancer Support.

Mrs Desando and Mrs Baron shared the Macmillan Cancer Support logo and told us all about Macmillan Cancer Support too. We learnt a lot!

Mini Vinnies - Tuesday 13th January 2026

Bella and Nikea are our Mini Vinnies leaders.

They prepared an announcement about the TUB2PUB Appeal which they will deliver in Assembly on Friday 16th January 2026

YELLOW = BELLA

BLUE = Nikea

Good morning, everyone.

We are part of a club called Mini Vinnies.

In our club we think about people who are in need and who we are concerned about.

We take this concern and turn it into action.

This week in the Mini Vinnie club we learnt about Macmillan Cancer Support.

Macmillan Cancer Support provides support, love and care for cancer patients and their families.

We were concerned that Macmillan has to rely on financial donations to provide this support.

We thought about ways to turn our concern into action and we agreed on 3 things:

1. We can pray for cancer patients and their families
2. We can pray for all those who work and volunteer for Macmillan
3. We can raise some money by taking part in the TUB2PUB initiative

PLEASE HELP us to raise money for Macmillan Cancer Support.

If you have any empty sweet tubs at home, PLEASE bring them into school and place them outside Mrs Desando's room.

We will pass them onto a Greene King Pub and they will recycle them. All the money raised will go to MACMILLAN CANCER SUPPORT.

We will be collecting sweet tubs until the end of this term so PLEASE – DON'T DELAY – donate your empty sweet tub to this great cause and be part of the MINI VINNIES 'turning concern into action' campaign.

Thank you for listening and we hope you can help us help Macmillan Cancer Support.
