

Mini Vinnies - Tuesday 27th January 2026

We had a very exciting Mini Vinnies session today as we received our new Mini Vinnies caps from the St Vincent de Paul (SVP) volunteers based at St Peter's Church in Gloucester. We **LOVE** our new caps.

We thought about other concerns we have, and we agreed that we are concerned for Homeless people in our community. We thought about how we could help them and decided to make and sell Easter cards to raise money for the Homeless. As you can see from the photos below (we are making Easter cards), *we are very proud to be living out our Mini Vinnies motto of 'turning concern into action'.*
