

Friday 19th December 2025

Dear parents and carers,

As we come to the end of another busy and rewarding term, I would like to take this opportunity to thank you sincerely for your continued support of our fabulous school. Your positive engagement, encouragement, and trust play a vital role in all that we do here at St Peter's; they make a significant difference to the experiences and achievements of our amazing children.

Throughout this term, our children have continued to grow in confidence, faith, and learning. This would not be possible without the strong sense of community that exists between home, school, and our parishes. We are truly grateful for the many ways in which you support school life, whether through your kind words, prayers, time, practical help, involvement with the PFA, or in attending liturgies, faith events and Mass.

As we travel through Advent and prepare to celebrate the joyful season of Christmas, we are reminded of the message at the heart of this holy time: love, hope, peace, and service to others. May the light of Christ's birth bring warmth and joy to your homes and strengthen us all as a community rooted in faith. It was an absolute pleasure to see our children eat Christmas lunch together this week as they were joined by staff, governors and clergy. Christmas jumper week has also been a huge success and continues to raise much needed funds for the James Hopkins Trust, a very special charity which has helped support children and families in our very own community. Please do consider donating to them if you have not yet had the chance.

Finally, I would like to thank Father Gary for joining us this morning to celebrate Mass as a Catholic school community. We are grateful to all our churches for the continued support they offer to our wonderful school.

On behalf of the staff and governors, I would like to wish you and your families a blessed Christmas and a happy, healthy New Year. We look forward to welcoming the children back in the New Year and continuing our shared journey together.

Kind regards,

Kurt Doyle
Headteacher
